Letter of Endorsement

Mustakshif Global Explore Halal App
Tower 5/727 Collins St,
Docklands VIC 3008

Dear Mustakshif Team, Assalaamu Alaikum Wa Rahmatullahi Wa Barakatuhu.

Subject: Endorsement of Mustakshif Global Explore Halal App

It is with great pleasure that we, Darul Tarbiyah Cultural community centre, endorse the Mustakshif Global Explore Halal App as an invaluable tool for consumers seeking to verify the halal status of products. Shiekh/Molana Eshaq Akbar of Darul Tarbiyah is well known for Halal guidance within Australia.

The Mustakshif Global Explore Halal App provides an innovative solution for consumers by allowing them to scan barcodes and instantly access halal verification information. This App empowers consumers with the ability to make informed purchasing decisions with confidence and ease. **It is the first of its kind with a conservative approach-like hand slaughtered chicken, considering 120, Carmine and Cochineal as not Halal suitable etc.**

Darul Tarbiyah is hopeful that the Mustakshif Global Explore Halal App will greatly benefit the conservative Halal- conscious community by providing reliable and accurate information. We commend Mustakshif for their dedication to enhancing the accessibility and transparency of halal product information.

We look forward to seeing the positive impact of this app on the community and are proud to support its mission.

Best regards Wassalaam,

Kind regards, Imam Eshfaq Akbar
